## **MARRIAGES:**

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

### Living the Gospel

**by evangelizing our faith in the greater world**

Gia Lao Parish resides in the mountainous Diocese of Xuan Loc in Vietnam. Its parishioners, mostly poor, work on the hillside farms. The Pastoral Mission Fund, with the support of ShareLife, provided a one-time grant so the parish could acquire resources it could not otherwise provide. This includes bibles and hymnals, along with training for 60 catechists, who lead marriage preparation and catechism classes. With your support, Gia Lao Church is bringing faith to a community in the greater world.

**April 22 is the next ShareLife Sunday.**

### BOOKSTALL NEWS

**Price Increase:** The Latin-English Missal has increased to **\$10.00.**

***Heretic* by Matti Leisola.** According to the science and educational establishments, Darwin's theory of evolution is a clearly established fact. It fully explains the origin of all living species including man. But does it really do that? ***Heretic*** is written by a scientist, Matti Leisola, who very early in his career came to the conclusion that Darwinism is all hype and no substance. The book documents the persecution of dissenters such as him on this issue, while at the same time providing many interesting arguments to buttress his position. – Fr Martin Hilbert

***A Song for Nagasaki:*** the Story of Takashi Nagai, Scientist, Convert, and Survivor of the Atomic Bomb is masterful. The book's 31 chapters are little gems of beauty and faith. You can read each chapter in less than 15 minutes. My favourite is chapter 10! *A Song of Nagasaki* is a love story that brings out the remarkable truth that the Church is mystical body of Christ. Reading this biography will likely bring tears to your eyes on three or four occasions. Great spiritual reading for Eastertide! – Fr. Michael Eades

***CHRONICLES OF NARNIA*** - I never knew about this wonderful books in my childhood. I read them after I met Fr. Robinson. They are great for children, and great for us older folk. Packaged sets and individual books are available. ALERT!!! There are opinions about the order of reading. My advice is to start with *The Lion, the Witch and the Wardrobe*.

**Other great books by C. S. Lewis** are also available. I recommend *Mere Christianity* for a wonderful, easy to understand, common sense explanation of why Christianity works. Great for apologetics, *The Great Divorce* is a good self-examination of our common faults and attitudes, even if it is based on Lewis's slightly erroneous idea of Purgatory. *The Screwtape Letters* is a good way of understanding the all-too-effective wiles of Satan.

### SPIRITUAL CLASSICS

***Abandonment to Divine Providence*** by Fr. Jean-Pierre de Caussade, who explains, is a trusting, peaceful, and childlike surrender to the guidance of grace. - \$17

***Introduction to the Devout Life*** by St. Francis de Sales. All are called to the devout life. True devotion to God, the author points out, adorns every vocation.. - \$19

***The Spiritual Combat and a Treatise on Peace of Soul*** by Fr. Scupoli, who provides timeless guidance in spiritual discipline. - \$19

***The Lion of Munster*** by Fr. Daniel Utrecht - \$40
