MARRIAGES:

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

VOCATION DISCERNMENT

Today's Gospel asks for us "How can this man give us His flesh to eat?" Through the mystery of Eucharistic consecration we partake of the "living bread". In faith we can also respond to God's invitation to be his priest, religious or deacon. If you think God is offering you the grace of a vocation in His Church, contact Fr. Chris Lemieux at 416-968-0997 or speak to one of the priests in the parish or email vocations@vocations.ca. Visit the vocations website at www.vocationstoronto.ca

BOOKSTALL NEWS

Early Christian Writings Non-Catholics often argue that Revelation is limited to the written books of the Bible (leaving aside the question of where the Bible says this, or where the Bible lists the books that are in the Bible!). They also say that the early Church went wrong, becoming "incipient Catholicism", adding superstition and additional unnecessary teachings that are non-Scriptural. If this is so, boy, did it ever happen fast! "Early Christian Writings from Christian (read: Catholic) Church Fathers who knew the Apostles personally, will quickly show you how the first generation of Christians believed in the Real Presence, Apostolic succession, the Papacy: in short, what the Apostles believed & taught is what the Catholic Church TODAY believes and teaches. AVAILABLE FOR AN INTRODUCTORY PRICE OF \$20.

Jesus, the Apostles and the Early Church by Pope Benedict XVI \$20

Sex au Naturel: What It Is and Why It's Good For Your Marriage - Yes, the title is provocative, and the book is absolutely wonderful, and Catholic. It presents the case against contraception from Scripture, Tradition and reason. Written in plain English, it is useful for married couples, singles, Catholics who want to understand and even to present the goods, ends and benefits of God's plan of marriage. The difference between ABC (artificial birth control) and NFP (natural family planning) is clearly and persuasively presented. **Only \$20.**

Treasure and Tradition: The Ultimate Guide to the Latin Mass - Hard cover. Translation of the Latin texts, explanation of the rites, comparison of the Oratory and Extraordinary Forms of Mass. Good for young and old, experienced or beginner to the traditional form of the Mass. \$40

A Song for Nagasaki: The Story of Takashi Nagai, Scientist, Convert, and Survivor of the Atomic Bomb. The 31 chapters of this biography are little gems of beauty and faith that bring out the remarkable truth that the Church is the mystical body of Christ. **\$25**
