## **MARRIAGES:**

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

#### PARDON? AND PEACE!!!

"The rule of confession once a year was made at the Fourth Lateran Council, in the early thirteenth century... That was the time of England's King John, who, it was recorded, used to take a bath once a year whether he need it or not. Now is that really good enough by modern standards? ... There is more pollution than there was in the twelfth century, and those who live in a secular modern society must need more regular cleansing than those who lived in the age of faith.... That is why I find it sad when people turn up regularly every Christmas Eve to make their annual confession. "It is one year since my last confession. I think I used a bad word once. For that and all other sins which I cannot now remember I ask pardon of God ..."  
*Pardon and Peace*, Ignatius Press, Fr. Francis Randolph

I strongly recommend this book on the Sacrament of Penance/Reconciliation/Confession. It has been a great help to me, and is a very readable guide to the benefits of regular confession for all of us sinners. One caveat/caution: on p.50 and p. 55, Father Randolph comes a little too close to the theory of the *fundamental option*. It isn't a problem, but it you have questions, feel free to speak to any of the priests about what he is saying, and what he is NOT saying.

#### Formed.org -- The Reformers

When there is scandal in the Church, those who love her do not abandon her, but work towards true reform. The **Formed.org** website – available free to parishioners with the code **CGMJW** – features a series of presentations on Saints, who are the true reformers. One of these half-hour episodes is all about our own St Philip Neri. Well worth watching -- and recommending to others.
