MARRIAGES:

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

In joining this ministry you become part of a network of women that spans across 30 parishes in the archdiocese. My prayer is that your involvement will help nourish you spiritually, offering personal affirmation as well as the opportunity to share the fruits of your involvement with your family." – Cardinal Thomas Collins

BOOKSTALL NEWS

Right to Life Christmas cards are now available.

The Porn Myth, by Matthew Fradd

Porn sites get more visitors each month than Netflix, Amazon and Twitter combined. In fact, over 30% of all internet traffic is porn. This is a major societal disaster. The Porn Myth clearly and patiently debunks the arguments of those who think that porn is a harmless and legitimate form of entertainment. The author does not hide his Catholicism, but does not rely on the Bible or Catechism to make his case. He then goes on to give great advice to parents on how to protect their children from porn so that they never get started and very practical suggestions and hope to the millions of addicts who feel powerless and miserable in its grips. A very important book for all. No need to be ashamed to buy it! - \$25

LIVING WILL/POWER OF ATTORNEY FOR PERSONAL CARE - A PRO-LIFE APPROACH

Everyone needs a Living Will/Power of Attorney for Personal Care when they are unable to make medical decisions for themselves. Recent court cases have proved that your power of attorney for personal care needs to reflect your respect for human life.

"Living Wills" can be mis- interpreted and general Powers of Attorney can be removed from the hands of the person you have chosen for that task.

The Life-Protecting Power of Attorney for Personal Care was designed to protect you from decisions which will unethically lead to your death. It will also ensure that the person you choose will remain your Power of Attorney for Personal Care. For further information contact the Euthanasia Prevention Coalition to order the Life-Protecting Power of Attorney. Phone 1- 877-439-3348

The Shepherds' Trust
Caring for those who always cared for us.

As members of our Catholic community, we regularly benefit from the tireless service of our priests. Called by God and ordained to care for His people, our priest serve our families in churches, schools hospitals, nursing homes, missions and on the streets. The Shepherds' Trust ensures our priests can live their retirement years with dignity. This fund does more than support our priests in their twilight years: it represents a tangible gesture of thanks for the blessings we have received. **The Shepherds' Trust collection will take place at all Masses next Sunday.** Envelopes are available in the bulletin and in the narthex.

Your generosity is greatly appreciated.
