MARRIAGES:

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

2019 Oratory Calendar – \$5

The Porn Myth, by Matthew Fradd – \$25

Porn sites get more visitors each month than Netflix, Amazon and Twitter combined. In fact, over 30% of all internet traffic is porn. This is a major societal disaster. The Porn Myth clearly and patiently debunks the arguments of those who think that porn is a harmless and legitimate form of entertainment. The author does not hide his Catholicism, but does not rely on the Bible or Catechism to make his case. He then goes on to give great advice to parents on how to protect their children from porn so that they never get started and very practical suggestions and hope to the millions of addicts who feel powerless and miserable in its grips. A very important book for all. No need to be ashamed to buy it!
