## **MARRIAGES:**

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

### DESTINATION WEDDINGS

Catholics are reminded that they need their pastor's permission to enter into a valid marriage. Sacraments such as baptisms, confirmations, and marriage should as a rule be received in one's own parish. Sometimes, there are good reasons to receive them somewhere else and the Church makes provisions for such cases. In the case of marriage, at least one of the bride and groom needs to approach his or her pastor to obtain permission to get married in a church that is not the parish church of either party. This is especially important to keep in mind at a time when "destination weddings" are becoming more common. Professional marriage planners often do not know of this Church requirement or do not worry about it for fear of losing business. They assure the couple that all will be taken care of in the Caribbean or the Philippines or Mexico or other parts of Canada. They may even know of an unscrupulous Catholic priest to do the wedding there. It may be convenient, but, unless the couple has the permission of their parish priest, such a wedding may not be a valid marriage.

*From Islam to Christ. Derya Little* (not her real name) was born in Turkey. She read her way into the Catholic Church and had to overcome great difficulties even to find a Catholic Church in Ankara. Her first-hand knowledge of Islam and her persuasive criticism of it are the reason why she uses a pseudonym. An inspiring story that should help us to appreciate the gift of faith in Christ and his Church. **\$26**

*JESUS and the Jewish Roots of the Eucharist: Unlocking the Secrets of the Last Supper.* This book will deepen your faith in the Sacrifice of the Mass and the Real Presence, and enable you to engage in truly evangelical discourse with non-Catholics. **\$25**

*JESUS and the JEWISH ROOTS OF MARY*, by Brant Pitre. This is an awesome book that will strengthen your faith in the Catholic teachings on Mary, deepen your knowledge of the Old and New Testament, and provide great answers to questions about Mary. **\$30**

*THE SACRAMENTS: Discovering the Treasures of Divine Life*, by Fr. Matthew Kauth. Solid Catholic theology with spiritual teaching. Accessible to all. Fr. Kauth shows how the sacraments, sacred signs, actually accomplish in our souls what they signify. Highly recommended. **\$8**
