## **MARRIAGES:**

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

## AT THE BOOKSTALL

### *From the Depths of Our Hearts*

“The priesthood is going through a dark time,” write Pope Emeritus Benedict and Cardinal Robert Sarah. *From the Depths of Our Hearts* is an unprecedented work by the Pope Emeritus and a Cardinal serving in the Vatican. As bishops, they write “in a spirit of filial obedience” to Pope Francis, who has said, “I think that celibacy is a gift for the Church ... I don’t agree with allowing optional celibacy, no.” Responding to calls for refashioning the priesthood, including proposals from the Amazonian Synod, two wise, spiritually astute pastors explain the biblical role of the priesthood, celibacy, and genuine priestly ministry. Drawing on Vatican II, they present priestly celibacy as more than “a mere precept of ecclesiastical law.” They insist that renewal of the Church is bound to a renewed understanding of priestly vocation as sharing in Jesus’ priestly identity as Bridegroom of the Church. **This is a book whose crucial message is for clergy and laity alike. This book will be available in February. We have ordered 25 copies to start with. If you wish, please leave your name at the Bookstall and we will reserve a copy for you.**

**Christus Vincit. (Bishop Athanasius Schneider)** It is a candid, incisive examination of the pressing issues of our times, providing clarity and hope for beleaguered Catholics. Christus vincit!!! Christ will triumph. **Back in stock.**

**Peter Kwasniewski, John Henry Newman: On Worship, Reverence & Ritual,** shows how, for Newman, the rites, liturgies, and corporate worship of the Church illustrate the duty of reverence, and how they anticipate the life of the blessed in heaven.
