MARRIAGES:

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

Ignatius Study Bible - New Testament
Imitation of Christ _____

MADE THIS WAY

A generation ago, Christian parents didn't have to worry about how to explain transgenderism to their nine-year-old, or help their teenager deal with mockery at school for believing in traditional marriage. But today, as our culture's moral center continues to fly apart and all is publicly aired celebrated, we have no choices but to equip our kids to understand and own the truth. In *Made This Way*, Leila Miller and Trent Horn give parents (guardians and teachers, too!) crucial techniques to form children (from tots to teens) with the understanding they need, appropriate to their age and maturity level, to meet the world's challenges. *Their secret lies in an approach that begins not with the Bible or Church teaching but with the natural law. In kid-friendly ways, Miller and Horn help you communicate how the right way to live is rooted in the way we're made.* Topics include: Living Together Outside of Marriage, Same-Sex Marriage, Divorce, Contraception, Abortion, Reproductive Technologies, Modesty, Pornography, Transgenderism, Homosexuality. **Silence can no longer be an option. If we're not teaching our children how to understand tough moral issues, then the world will!**

From the Depths of Our Hearts

From the Depths of Our Hearts is an unprecedented work by the Pope Emeritus and a Cardinal serving in the Vatican. **This is a book whose crucial message is for clergy and laity alike.**

Faith and trust are rooted in our hearts.
Faith and trust guide us.

In the time of need, it's your faith and trust that guides you to the comfort of your Parish.
