## **MARRIAGES:**

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

#### COMMUNION FOR THE HOUSEBOUND

The Fathers bring Communion to the housebound on the first and third Friday of each month. Please let us know if you or someone in your care would like us to visit. We are also aware that sometimes it is not practical for one of the priests to visit either because parishioners live very far away or because of various restrictions on who can visit the sick on account of their increased vulnerability to infection. In such cases, it makes sense for family members or friends to take Communion to them. **If you know of someone in such a situation, please do not just show up with a pyx at Communion time. Please contact the pastor first.** We will accommodate all reasonable requests, but we need to know about the situation ahead of time.
