MARRIAGES:

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

Oratory Summer School is Approaching

July 3-7: *The Catechism of the Catholic Church*
July 10-14: *The life, writings and legacy of Joseph Ratzinger,
(Benedict XVI)*. Joseph Ratzinger was a major participant in
the renewal of theology that preceded the Second Vatican
Council, was profoundly involved in the Council itself as a
theological adviser, and was subsequently increasingly
influential in the very heart of the ecclesiastical hierarchy.
Ratzinger's life & thought are therefore indispensable as
contributions to the authentic interpretation of Catholic
faith and practice in the present time. Accordingly we hope
that the second week of Summer School this year will be an
occasion for a renewed examination of the strengths and
weaknesses, the fruits and the controversies, of this
immensely consequential period in the history of
the Church.
