## **MARRIAGES:**

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

### VOLUNTEERS NEEDED AS RECEPTIONISTS AT THE RECTORY

Holy Family has been blessed with a large group of dedicated volunteers who assist the parish out of love and a desire to serve our Lord. Sometimes the burden falls on a few long-term volunteers who could use a break, and it is also beneficial to break in new volunteers to allow them to give their time and talent in the service of the Church. If you have the time and the willingness to give a morning or an afternoon on a regular basis (once a month, once a fortnight, once a week) to answer the door and the telephone, please call Brother Ted at the rectory.

## Mark Your Calendars

### Oratory Summer School is Approaching

**July 1-5:** *The Catechism of the Catholic Church*

**July 8-12:** This year the second session addresses something that has become increasingly and painfully obvious: our world is in a mess. So much has happened, and happened so quickly. What does the Church do in response? What do we do? As so we will be looking at the topic **EVANGELIZING THE MODERN WORLD**. The Church has spent her history adjusting to the circumstances in which she finds herself. She continues to address new issues in light of the deposit of the faith, to inspire new artistic expressions, to raise up saints as examples to the world we live in, and to accommodate herself to methods of communication our electronic world seems to demand. The Church continues to prove that she transcends time and cultures.
