MARRIAGES:

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

"Made this Way - How to Prepare Kids to Face Today's Tough Moral Issues" by Leila Miller with Trent Horn

This incredible book goes through all the current 'woke' issues regarding Chastity, Sexual Morality, Family and Life Issues. Each chapter is in three parts: 1. What the Church Teaches; 2. Advice for Little Kids; 3. Advice for Big Kids. (I think this third part can be given to teenagers to read on their own. The Advice for Little Kids is fantastic in helping explain the Church's teaching to younger children who are already being exposed to harmful teaching in the media and the educational system. Single people too can benefit tremendously from it as well! **Fr. Roche**
