MARRIAGES:

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

You empower youth to embrace God

Your devotion enables the Office of Catholic Youth to fulfill their mission of helping youth and young adults to encounter, love and serve Jesus Christ.

Through your loving support of ShareLife, young people are empowered to become Christian leaders who know Christ and have a growing relationship with Him. Aspiring youth and campus ministers, like Laura, form spiritual habits through workshops and formation retreats. They learn practical methods to engage the youth of today and help them deal with everyday pressures. "These formation sessions have equipped me with a firm foundation in the faith," she says, "enabling me to pass on authentic Catholic teachings to the young people in my care."

ShareLife Sunday Collections: May 4 | June 8
