## **MARRIAGES:**

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

## ORATORY SUMMER SCHOOL Registration for the annual Oratory Summer School has opened.

There are two sessions available. The first session offers a systematic introduction to The Catechism of The Catholic Church. The second session takes Jubilee Years as its theme, converging appropriately with 2025 being celebrated as a Jubilee Year in the universal Church and with the Toronto Oratory's own 50th anniversary, for St. Philip himself directed a confraternity dedicated to the care of Jubilee pilgrims in Rome. We shall study, among other topics, the theology and history of jubilees, Saint Philip's special association with Jubilees and the theme of the Church's Jubilee this year: Pilgrims of Hope.

The first session will be July 7 to 11 and the second session July 14 to 18. The cost for each session, which includes lunch each day for those attending in person, is \$200 per person. For those attending online, the cost is \$175 per person. Accommodation is available in the seminary for \$100 per person, which covers the entire week. More information and registration can be found here:

<http://oratory-toronto.org/summer-school/>.
